## Mission Statement

We seek to spread the gospel, support the vision of the leadership team, and show God's love effectively through the use of audio technology by removing distractions, engaging the audience, creating an atmosphere for each moment in the story, and supporting the stage team.

---

## Core Values

- WE love Jesus.
- WE love people.
- WE love serving.
- WE love music.
- WE have a healthy and consistent relationship with Jesus.
- WE are committed to excellence in our craft and spirit.
- WE know our team and their needs.
- WE understand communication is important and that we are not bystanders when we see a problem, but are part of creating a solution.
- WE are always prepared by knowing what's required of us in our roles.
- WE value and guard unity within our team.
- WE take responsibility for our growth in our technical and creative gifts.
- WE are always looking for ways we "can" rather than reasons we "can't".
- WE know how to respond under pressure.
- WE know that it's our commitment to the process that helps us succeed.
- WE understand that maximum preparation creates maximum flexibility.
